BUSINESS PRESENTATION

Welcome To Skillio

Skillio is a next-gen IT training and placement institute, earlier known as Testing Shastra, founded by Mr. Avinash Pingale, an industry expert with 7.5+ years of experience.

We specialize in Java, Selenium, Performance Testing, REST API Testing, and Functional Testing. At Skillio, we believe in learning by doing — turning concepts into career-ready skills with practical, hands-on training.
